Mrs. Cobia’s 16 Essential Rules for a Successful 6th Grade Class

Rules

1-We are a family! We will celebrate our successes together and correct our mistakes together. We are a team!
2-Be an example to the younger students at Provost. Remember they look up to you.
3-We will follow directions so we can be organized, efficient, and on task.
4-Participate in class discussions. Be a good listener. Respect other students’ comments, opinions, and ideas.
5-Homework will be turned in each day for each subject by every student with no exceptions.
6-When homework is assigned, there is to be no moaning or complaining.
7-We will respect the rights and property of others.
8-We will be kind and respectful to all the teachers and helpers that work at Provost.
9-Subject transitions will be swift, quiet, and orderly. We will walk quietly in the halls.
10-When grading other students’ papers, give only the correct grade.
11-Do not ask for a reward and remember to say thank you when given something.
12-During an assembly, do not speak or call out to friends. Listen attentively. Appreciate the hard work and dedication of others. Show that appreciation in the appropriate manner.
13-No matter the circumstances always be honest. Avoid blaming others.
14-Learn from your mistakes and move on.
15-Be positive and enjoy life.
16-Be the very best person you can be!

This may seem like a lot of rules but if we all work together on them we will have a great year!

When students choose to follow these rules our class may be rewarded with:
- Praise
- More choices
- Special class activities

When students choose not to follow these rules they can expect:
- Time lost during recess or lunch
- Not to participate in extra curricular activities
- Phone calls to parents

I have read The 16 Essential Rules of Sixth Grade and agree that I will do my best to follow these rules to help my class be successful.
